PRE PTO Community Service will be conducting a **Food and Change Drive Nov 5th-9th**. All food donations will go to Shawnee Community Services to benefit the families within our community. Each day that students bring a food item they will be entered into a raffle to win prizes! Prizes will be awarded daily throughout the week!

The Change Drive proceeds will be used to continue to fund additional community service projects. The change drive from last year was enough to fund 7 community service events this year. In January we will prepare approximately 5000 meals for the hungry with the money that was raised. The grade the raises the most money will win a NEON Dance Party!

Volunteers needed on November 9th to sort our donations – Follow the link below to the sign up genius:
